BLOCK A

OR

BLOCK B

PERIODS 6 & 7

PERIOD 8

You will meet here at the beginning of each day. This time can be used in many different ways: studying, taking tests/quizzes, seeing another teacher for help, reading, watching the news, daily announcements, getting important school handouts, or simply preparing for the day and getting organized.

Each block will be your math or language arts/reading (ELA) class. You don't have two math classes, they are one long block.

These periods are for either science or social studies.

You'll end the day with your special class. You will have the same special everyday for 9 weeks.

EAT UP! LUNCH TIME

How much time do we get for lunch?

Lunch is from 11:00 until 11:25 plus 5 minutes before and after to walk down and back to class.

Do you get to sit wherever you want?

For the first couple of weeks you will sit with your homeroom class. After that, you can sit wherever you want as long as you behave.

Can I have food delivered to school?

No. Make sure to have a home lunch or money in your account. Food can not be delivered to the office or dropped off by your family.

Do you have to buy a lunch?

No. You can bring a lunch or buy one. Kahler has more options than elementary. They have soup, salad, and deli options everyday! You don't have to sign up for lunch.

How do you pay for lunch?

Parents can add money to your account online or you can put checks/money in the box in the hallway. Then you use your school ID or ID number in the lunch line to purchase food.

Do you get to use the vending machines?

No. These are only for after school activities.
