For those of you interested in signing up for, or already signed up for spring football here is some information. As of now, we do not know the current status of the spring season. Rest assured once we get those decisions made we will push information along to players and parents.

In the meantime, here are the links to the BSN team store, and the player packet that was handed out at our callout meeting last Friday. If players are interested in continuing with football in the fall and beyond, it is still a good idea to order some gear. **Practice jersey, padded pants, and a mouthpiece are a must!**

Thank you so much for your patience and flexibility. We truly hope everyone is well, and that together we can come through this pandemic stronger.

Best,

Coach Decker
